

Research Funding Opportunity

Program Title	NOI - Deployment of Combined Heat and Power Systems, District Energy Systems, Waste Energy Recovery Systems, and Efficient Industrial Equipment
Solicitation/RFP Code	DE-FOA-0000044
Funding Organization(s)	DOE - NETL
Funding Amount(s)	TBA
Application Deadline(s)	TBA

Program Summary
<p>THIS A NOTICE OF INTENT: RFP expected in MARCH 2009</p> <p>Areas of interest 1 through 3 of the planned FOA shall deploy energy efficient combined heat and power (CHP) systems, district energy systems, and waste energy recovery systems. The result will be the broader deployment of technologies that will increase our national energy security, provide construction jobs, and build markets for skilled green construction.</p> <p>Area of interest 4 of this FOA shall provide technologies and systems with a minimum efficiency improvement of 25 percent to the industrial sector. The result will be the broader deployment of technologies that will increase our national energy security, provide construction jobs, and build markets for skilled green construction.</p> <p>Applicants will be required to apply to one or more of the following Areas of Interest:</p> <ul style="list-style-type: none">• Area of Interest 1: Combined Heat and Power• Area of Interest 2: District Energy Systems• Area of Interest 3: Waste Energy Recovery• Area of Interest 4: Efficient Industrial Equipment <p>Program contact: Michael DeStefano 412.386.5425</p> <p>Full NOI: DE-FOA-0000044</p>
