Program Summary

RESEARCH AREA 16 - ARO SPECIAL PROGRAMS

16.1. Short Term Innovative Research (STIR) Program

The objectives of the STIR program are to provide rapid, short- term investigations to assess the merit of innovative concepts in basic research. Proposed research may be for the continuation of or the natural outgrowth of experimental or theoretical explorations.

Eligibility. Research proposals are sought from educational institutions, nonprofit organizations, and commercial organizations.

Proposed research efforts must be "stand alone" and not predicated on the use of any facilities other than those under the direct control of the offeror. Research must be completed within nine (9) months of award of the agreement.

Extensions of the nine-month performance period will not be granted.

No capital equipment may be purchased. Travel costs must not exceed \$500. Report preparation costs must not exceed \$100. The assessment of indirect costs or fee is unallowable.

The principal investigator(s) should disclose and explain the relevancy of the proposal to the research interests identified in PART I, Research Areas 7-15 of this BAA.

A brief, final technical report must be submitted to the ARO within thirty (30) days of completion of the grant or contract.

Submit electronic proposals to baa@arl.army.mil.
